— LOS GUILICOS, WARM SPRINGS CAL —

A NEW AND SELECT SUMMER RESORT!

Music, Boating, Fishing Bathing.

THE Los Guilicos Warm Springs property, located on the Sonoma Creek, is within a mile of the new town of Los Guilicos, and eleven miles south from Santa Rosa. It contains 100 acres of fertile and beautiful hillside land, bordering on this trout stream, and the celebrated old Indian Medicine Spring. It has been partially subdivided into small tracts, for cottages or tents, for a summer resort.

A MUSIC PAVILION.

The Pavilion is only one mile from the depot, over a wild and romantic driveway, along the banks of the creek, and half-hourly trips to and from the depot for the price of a car-fare, makes the matter of reaching trains easy.

Villa lots and acres are being sold on the banks of the creek adjoining the Warm Springs, for \$150, payable in installments. Summer cottages and tents put up on the installment plan for purchasers. Full information furnished by **N. W. GRISWOLD,**
